Volume 22 #8 April 2015

Next Meeting Wednesday April 15th 10am at Saint John Boys & Girls Club

Speaker

Our Speaker this month will be Ms Dayna Lutes from the Saint John Learning Exchange. Members may not be aware but the kitchen staff at the Boy's and Girls Club are graduates of this program

Minutes of March Meeting

Although the meeting was not canceled due to the inclement weather only 3 stalwarts showed up Robert Taylor John Cook and myself. When our Speaker Major Lapalme and his assistant arrived from Gagetown and Moncton respectfully We decided to just have a Round Table chat as both Robert and my self had seen the Dart presentation before We discussed Dart and other subjects pertinent to the military. It proved interesting and enjoyable as both our guests it seemed were glad of a change from their normal military routine. We concluded with a roast Turkey lunch which again was excellent.

Presidents Remarks

Despite the wintry conditions We met with Members of the Ladies Club for the official flag raising at City Hall on March 23rd of our new Probus flag in celebration of Probus month

Left to right Mary McCauliffe (Ladies President) two Ladies Club members, Wes Cosman Tor

BordevikMyself and John Cook

Unfortunately the flag pole was not accessible because of the snow but it was raised later by City Hall staff ,to prove it here is a picture of it flying proudly.

Now for some mirth,yes you've guessed right its....

THE FABULOUS FUNNIES

Q.Why is everyone so tired on April 1?

A: Because they've just finished a long, 31 day March!

Q: What do you get when you pour hot water down a rabbit hole?

A: A hot cross bunny

Spring Fever

Four high school boys afflicted with spring fever skipped morning classes. After lunch they reported to the teacher that they had a flat tire.

Much to their relief she smiled and said, "Well, you missed a test today so take seats apart from one another and take out a piece of paper." Still smiling, she waited for them to sit down. Then she said: "First Question: Which tire was flat?"

She got four different answers

I had spent the late winter months waiting impatiently for signs of spring. When the first warm, sunny Saturday arrived, I eagerly unlocked the storm door and stepped onto our patio deck. I was pleased by the sight of green sprouts and the sounds of singing birds. More than anything else, I delighted in the sweet aroma of the spring air. Knocking on the kitchen window, I beckoned to my wife to join me in enjoying the pleasures of the season. She quietly brought me back to earth when she reminded me that I was standing over the dryer vent, inhaling the scent of fabric softener.

Twice a year, we change the clocks for daylight-savings time. And twice a year, my normally punctual assistant arrives late to work the Monday after we do so. I finally had to find out why. "Do you have a problem remembering to spring forward or fall back?" I asked. "Oh, no," she said, pouring herself a cup of coffee. "What gets to me is staying up until 2 a.m. to change my clocks

A couple are sitting in their living room, sipping wine. Out of the blue, the wife says, "I love you." "Is that you or the wine talking?" asks the husband. "It's me," says the wife. "Talking to the wine."

Bad Things to Tell Your Wife

A commercial boasted that its product could help people live pain-free in their golden years.

"Am I in my golden years?" my wife, 63, asked.

"Not at all," I assured her. "But you are yellowing fast."

Remember this it will save you a small fortune

Never keep up with the Joneses. Drag them down to your level; it's cheaper.
